16 Defendant.

CASE NO. 1:22-CR-00279-JLT-BAM

STIPULATION AND ORDER TO ADVANCE
STATUS CONFERENCE

17
18 **BACKGROUND**

19 This matter is currently scheduled for a status conference on May 8, 2024 before Magistrate
20 Judge Barbara McAuliffe, with a trial commencement date of June 25, 2024 before District Judge
21 Jennifer Thurston. Doc. 50.

22 However, discovery in this case is voluminous. In this case, there are also approximately 5.57
23 terabytes of data from devices seized from Mamdani's residence and office. This data has not been
24 reviewed yet by either party. The government is preparing to begin its review, and will provide the data
25 for review to defense counsel promptly after defense counsel provides blank hard drives with sufficient
26 space for the data.

27 In light of this issue, and due to defense counsel's scheduling issue on May 8, 2024, the parties
28 mutually request that the Court advance the status conference date, and re-set a status conference for

1 April 24, 2024 before Magistrate Judge McAuliffe to discuss discovery issues and the timing of trial.

2 The government wishes to set a trial date at the status conference for sometime in the Fall of
3 2024. Defense wishes to continue the matter for now and set a new trial date at a later point in time.

4 The Court has previously excluded time under the Speedy Trial Act through June 25, 2024 based
5 on a stipulation of the parties. Doc. 43 at 2.

6 A proposed order appears below.

7 **STIPULATION**

8 **IT IS HEREBY STIPULATED** by and between the parties hereto, and through their respective
9 attorneys, that the status conference currently set for May 8, 2024 before Magistrate Judge Barbara
10 McAuliffe be advanced to to April 24, 2024.

11 The parties jointly request that the June 25, 2024 trial date be vacated for the time being, with the
12 parties disagreeing as to when and whether to reset the trial date.

13 Time has been excluded through June 25, 2024 under the Speedy Trial Act for defense
14 preparation. The Court has previously found that the ends of justice outweigh the interest of the
15 defendant and the public in a speedy trial. The parties agree that the previous stipulation and order
16 regarding time exclusion should remain in place.
